We
Tim

Shirley Georg, Lydia & Willi Georg, Valerie & Scott Ginther (Brayden, Taylor, Abbygail, Kaitlyn)

POINSETTIAS for Christmas – We are accepting donations for the purchase for a poinsettia for the altar. Please come to the office if you would like to make a donation.

Children's Chapel - Steady progress is being made on the Children's Chapel and we are working to have it available for families to use in the next month or so. Our next efforts involve painting the new wall and the interior of the chapel. If you would like to help paint the chapel please leave your name with Chris Neitsch, Frank Thede or the Trinity office. To date we have received almost \$7000 towards completion of this project. This provides sufficient funds to cover the cost of the construction but we are still in need of additional funding to help us properly furnish the space. To support this project please designate your contribution for the "Children's Chapel Appeal". Thanks for your support

We will be holding a **short meeting following the 11:0 service on Dec 5th** to discuss the final plans for the Children's Chapel. All parents are welcome. Child care will be provided.

Want to help make your City greener and more affordable while creating living wage jobs at the same time?

The Evangelical Lutheran Synod of Alberta is a voting member of the Greater Edmonton Alliance. GEA works on issues brought forward by its members to improve the common good of the Edmonton area. Currently, a group of GEA members (including some from Trinity) are working on an initiative called Sustainable Works. This initiative seeks to improve the environmental sustainability and economic diversity of Edmonton while also improving the affordability of housing. GEA needs to gauge support for this initiative amongst the entire GEA organization to allow us to decide whether or not there is enough interest to proceed with this initiative. The survey provides background information and is only composed of 2 yes/no questions so should only take a minute or two to fill out. The survey can be accessed directly at

<http://www.surveymonkey.com/s/SustainableWorksSurvey> or by clicking the SustainableWorks link www.greateredmontonalliance.com. **Paper surveys can be found in the atrium and returned to Jeff Gusdal's mailbox.**

Thank you for taking the time to consider this exciting opportunity to help care for God's creation as well as our fellow citizens.
